

Transportation & Parking Services Fall, 2021 Planning

July 2021

EMORY
UNIVERSITY

Campus Services
Division of Business and Administration

Parking Services – Two Permit Plans

Daily Parking Plan

2x per week – or less

Parking Frequency	Type of Permit	Cost
If you generally park on campus 2 times or less per week	Daily	\$6/day with monthly cap of \$56

Annual Parking Plan

3x per week – or more

Parking Frequency	Type of Permit	Cost
If you generally park on campus 3 times or more per week	Annual	\$51/month*

*Note: We are offering an administrative discount for annual permit.

Parking Services – Permit Options

Evening Only Rate

Parking Frequency	Type of Permit	Cost
If you generally park on campus after 2 pm	Daily	\$1/day with monthly cap of \$10*

* Note: The evening rate (\$1/day, capped at \$10/month) only applies to parking after 2 pm. If you park at any point before 2 pm, you will be charged the \$6/day rate, which is capped at \$56/month. Thus, it is possible to be charged two different rates within the same month depending on when you park. For example, Employee A parks after 2 pm 18 times in a month. Employee A also parks before 2pm 2 times that month. Employee A will be charged \$22 (\$10 evening rate cap + [\$6 daily rate X 2] = \$22).

Common Questions

Q: Do I need a new permit?

If you have been to campus recently and the gate opened for you, then you have the current permit and do not need to take further action. If you aren't sure and want to confirm your permit status *before* coming to campus, visit <https://myaccount.parking.emory.edu/Account/Portal> and attempt to register for a permit. The system will alert you of your current permit status. If the system allows you to register, we will mail the new permit to you.

Q: Will I retain my pre-pandemic parking assignment if I gave up my permit and haven't been parking on campus?

Yes, if you register for a permit by August 31 2021 you will retain your pre-pandemic assignment.

Register for a permit: <https://myaccount.parking.emory.edu/Account/Portal>

Q: If I have been parking in a more convenient deck during the pandemic, will I be required to move back to my pre-pandemic location?

Yes, all parkers must move back to their pre-pandemic assignments in order to accommodate campus returning to regular operations. Those moves have already begun, Parking Services began notifying parkers in June and will continue throughout July. View your parking assignment here: <https://myaccount.parking.emory.edu/Account/Portal>

Q: If I want to use the "Annual Parking Plan," do I need to tell someone?

Yes. The default plan is the daily plan. Parkers who want to use the annual parking plan for the discounted monthly rate should complete this form: [Select Annual Parking Plan](#)

Smart Commute – Commute Options

Emory has adjusted the Smart Commute Program to suit the evolving commuting needs of employees and to better support workplace flexibility on the Atlanta campus.

All changes are effective September 1.

Smart Commute – Commute Options

PUBLIC TRANSIT

Emory subsidizes up to 100% of the monthly cost for **unlimited monthly transit passes** for use with MARTA, GCT, ATL Xpress, or CobbLinc.*

** University employees may also receive 20 trips on MARTA if their commute requires the use of two services*

University Employees pay:

- MARTA, GCT, Xpress, CobbLinc: \$0/month

Healthcare Employees pay:

- CobbLinc, GCT, Xpress: \$25/month
- MARTA: \$17.50/month

CARPOOL

Carpoolers get access to discounted parking. Options include:

- **2-person carpool:** Discounted parking permit at \$28/month paid via primary driver's payroll deduction*
- **3+ person carpool:** 100% subsidized parking permit
- Secondary carpool riders will get **10 prorated parking swipes per year** automatically with program enrollment**
- All carpool participants will need to get a supervisor to sign a Carpool Work Verification form confirming on campus work schedule.

** Carpoolers are responsible for splitting any costs with their carpool partners on their own.*

*** Primary drivers are not eligible for the back-up commuting benefit because they are assigned the unlimited parking permit.*

2- person carpool parking permit:

- \$28/month

3+ person carpool parking permit:

- \$0/month

Smart Commute – Commute Options

VANPOOL

Emory TPS provides a subsidy of vanpool costs for each employee up to the following:

- **Enterprise:** \$100/person per month
- **Douglas County:** \$75/person per month
- Van rental and gas costs are shared by the group and paid directly to the vanpool provider.

Van parking permit:

- \$0/month

EMORY COMMUTER TRANSIT

Emory TPS offers commuter transit routes and shuttle service at no cost to Emory employees:

- **North & South Dekalb Mall Shuttles:** Park-and-ride lots at the mall with free parking.
- **Executive Park and CCTMA Shuttles:** Employees who live along these routes can take these shuttles to campus.

All employees: No Cost

ACTIVE COMMUTE

Employees who bike, walk, or are dropped-off at the Atlanta campus will get access to back-up commuting benefits (details below).

All employees: No Cost

Smart Commute – Commute Options

BACK-UP COMMUTING BENEFIT UPDATES FOR ACADEMIC YEAR 2021 - 2022

Enrollees automatically qualify for back-up commuting benefits each academic calendar year and can choose from one of the following options. For FY 2022, these benefits have been rightsized to suit hybrid work schedules. Enrollees can choose from one of two options:

- 1 **10 prorated parkingswipes** automatically at enrollment
- OR
- 2 **20 MARTA trips** automatically at enrollment

...AND

EARN EXTRA PERKS AT COMMUTE.EMORY.EDU

You can also earn points to redeem any of the following extra incentives when you log your Smart Commute trips each month at commute.emory.edu. Eligible trips include walk, bike, transit, vanpool, carpool, and telework.

- 1 Up to 10 extra parking swipes
- 2 Up to 20 extra MARTA trips
- 3 Gift cards for shopping, dining, and more

Starting 9/1 – Log your commute [HERE](#) to access these great benefits

Emory Shuttle Safety Measures

Emory continues to follow all CDC guidelines and protocols, as well as industry best practice and EHSO recommendations in order to provide a clean and safe environment for passengers and drivers:

1. Masks are required to ride shuttle.
2. Needlepoint Bipolar Ionization on all shuttles.
3. MERV 7 filters on all shuttles.
4. Daily disinfecting of shuttles.
