

## Coronavirus Remote Work Period CS Learning & Development Updates

### Learning Sessions:

To ensure the safety and health of our community, modifications have been made to our learning programs. Please reference the below for details regarding your specific learning program:

### Postponed Learning Sessions

- EQUIP
- ENGAGE
- Maintenance Technical Training

### On-boarding

- **Full-time Employees (New Employee Welcome - NEW):** NEW content will be facilitated in a modified format. Participants and their leaders will be notified of these adjustments.
- **Temporary Employees:** Onboarding content for Temps will be facilitated in a modified format. Participants and their leaders will be notified of these adjustments.

### Safety Training (EHSO)

- **EHSO:** As a majority of our EHSO Safety sessions are available online, we recommend that employees complete training in this format. Please see attached or [click here](#) for all available online courses and instructions on how to access the courses. All face-to-face sessions will be postponed.
- **3rd party Vendors:** If online content is available, participants will be directed to take specific courses online. Face-to-face sessions will be postponed.
- **BRS Information Sessions:** Sessions will continue as planned but may be modified, if necessary.
