3. Click the  button.
4. Locate the specific Activity (ensure the Type column says Online) for which you would like to enroll.
5. Click on the yellow "Launch" button.
6. After clicking on the Launch button, you will get a screen titled "Table of Contents". Click "Launch" (in blue font).

**\*\*Note 1: Ensure you are launching courses in Google Chrome or Firefox.**

**\*\*Note 2: It may take a little bit of time for the on-line course to load; please be patient. Also, do not close the ELMS while you are in the on-line course. If you do, you will close the course and lose the work you have done.**
