EMERGENCY MEDICAL RESPONDER (EMR) COURSE

OCTOBER 16 – MARCH 23

FACULTY & STAFF: Join our network of EMS providers in service to the Emory community.

FREE TUITION

FREE TEXTBOOKS

WHAT IS an "EMR"?

Emergency Medical Responders (EMRs) use simple skills focused on lifesaving interventions for critical patients. They are an essential part of the EMS system, providing basic care until the arrival of higher trained EMS personnel.

COURSE DETAILS

Tuesdays 8am-10am

10/16, 10/23, 11/13, 11/27, 12/4, 1/15,
1/29, 2/19, 3/5

Saturdays 8am-5pm

11/3, 12/15, 1/12, 2/9, 3/23

This course is intended for **FACULTY & STAFF** of Emory University.
The **PURPOSE** of the course is to create a network of first responders who can provide initial, basic, life-saving care when an emergency arises in our community.
