FIREWORKS DISPLAY PERMIT

Procedures on applying for a firework display Permit in Dekalb County:

A. Applicant must get an application from Dekalb County Probate Court located at the below address:

   556 N. McDonough Street
   Room 103
   Decatur, GA  30030
   Phone:  404/371-2601

B. Application **must** be submitted (2) weeks before fireworks Display date with a diagram of site. (One of the requirements on this diagram should indicate no spectators within a minimum of 280’ of the firing area per N. F. P. A. 1123). This requirement greatly depends on the size of the Mortars utilized.

C. Once received by Probate Court – it is then forwarded to the Fire Marshal’s Division attention Chief Antonio Burden.

D. Application is reviewed and scheduled for site inspection.

E. A Fireworks Display Compliance form is given to applicant for their signature after all requirements have been met stating the applicant is in compliance with N. F. P. A. 1123 code. (note: this form can also be faxed to 404-371-2430).

F. Once site inspection has taken place, the application is approved then faxed back to Probate Court.

G. Processing time normally takes 1-2 business days.

H. Fireworks Display permit is then issued by Probate Court.
I. It is the responsibility of the applicant to pick up permit from Probate Court.

J. Two trained Fire Department representatives shall be required on large pyrotechnic displays. A fee for each Inspector at $38.50/hr for a minimum of 4 hours will be assessed. This will include site assessment, set-up, launching, and a post event inspection.

K. Vendor must contact the Fire Marshal’s Office at 404-371-9256 for payment recipient information prior to event.
